Bishop's Call to Discipleship

Bishop Stokes calls on all members of the diocese to <u>watch this video</u>, share it with others, and <u>join a discussion</u> about building greater discipleship.

After you've watched the video, <u>join the discussion on our Facebook page</u>. We'd love to hear what you and your congregation are doing to build greater discipleship. Bishop Stokes is asking us to consider the following questions:

- 1. What most inspired or interested you in this video?
- 2. Where do you see the need for this in your own congregations live?
- 3. What would you love to see happen in discipleship for your congregation?
- 4. What concrete step can you take in the next month to help make this happen?
- 5. What results do you want to see by this time next year?
