

Easter FELLOWSHIP KIT

Alleluia! Christ is risen! The Lord is risen indeed. Alleluia!

The Christian Formation team in the Diocese of New Jersey is pleased to offer this Easter Fellowship Kit for use in congregations, ministries, and homes throughout the diocese. All items are designed for flexible use in a variety of settings. Feel free to use and/or adapt whichever pieces work in your context.

Placemats for use at church or at home. They are designed to print on 11 x 17 (tabloid) paper.

Conversation Prompts are designed to print on 8.5 x 11 paper, and cut into strips (one prompt per slice). Put in a mason jar, mug, basket, or scatter on a table to encourage faithful conversation.

Prayer Stations are designed for a variety of group or family settings, with minimal supplies and set up. Use one or all three--they are easily adapted for all ages.

Take Home Sheet is available to provide faith-at-home support to families and individuals. This can be printed and made available, or distributed electronically as a .pdf.
